

Action plans for Menopause support for employees in UK

Action plans for Menopause support for employees in UK

Purpose

Use this template to build practical menopause support that strengthens inclusion and helps reduce gender pay gap risks through better retention, progression, and workplace support.

1) Policy and governance

What to do

- Publish a dedicated **menopause policy**.
- Link the policy directly to your **gender pay gap action plan**.
- State menopause support as part of your inclusive workplace commitments.

Template fields

- Policy owner:
 - Approval date:
 - Review cycle:
 - Link to gender pay gap plan:
 - Internal policy URL/location:
-

2) Manager and HR capability

What to do

- Train managers and HR to handle menopause conversations sensitively.
- Build awareness and reduce stigma so employees can ask for support early.

- Include clear guidance on confidentiality and practical support options.

Training checklist

- ☐ Manager awareness session completed
 - ☐ HR specialist briefing completed
 - ☐ Conversation guide/toolkit published
 - ☐ Confidentiality protocol communicated
 - ☐ Escalation/referral path defined
-

3) Flexible working and reasonable adjustments

What to do

Offer practical adjustments based on individual needs, such as: - Flexible hours - Hybrid or remote working - Extra breaks - Temperature control (including desk fans) - Easy access to water and toilets - Temporary duty changes - Temporary uniform adjustments

Adjustment tracker

Employee support area	Adjustment offered	Start date	Review date	Outcome
Working pattern				
Work location				
Environment/comfort				
Duties/workload				
Other				

4) Progression and career protection

What to do

- Ensure menopause support protects **career progression**, not only symptom management.
- Review whether performance, promotion access, and development opportunities remain fair.
- Remove barriers that may disproportionately affect women in mid-career and senior pipelines.

Progression checks

- ☐ Promotion criteria reviewed for unintended bias
- ☐ Performance conversations include support context where relevant

- ☐ Career development access maintained during adjustments
- ☐ Return-to-full-duties support plan available

5) Retention and promotion measurement

What to do

Track outcomes to assess impact of menopause support: - Retention (including voluntary exits) - Absenteeism patterns - Promotion rates - Return and sustain rates after adjustments - Productivity or engagement indicators (where available)

KPI dashboard template

KPI	Baseline	Current	Target	Owner	Frequency
Retention rate (women)					
Voluntary exit rate (women)					
Promotion rate (women)					
Absenteeism days					
Return/sustain after adjustments					

6) Action plan summary

Priority issue	Action	Owner	Deadline	Success measure

7) Review rhythm

- Recommended review cadence: monthly operational review + quarterly leadership review.
- Publish progress updates in your wider gender pay gap action plan governance.
